

Jefferson Central School District

Board of Education District Goals

September 1, 2016

Mission Statement: *All who enter will be educated to their fullest potential in a safe and healthy environment that allows and encourages each individual to develop the necessary skills to be productive and successful members of society.*

The Jefferson Board of Education has established six goals for the 2016-2017 school year. The six overall goals focus in the six categories as follows: governance, student success, community participation, faculty and staff success, facilities and technology planning and college and career readiness.

Goal 1:

Governance: The Jefferson Board of Education will lead the district through sound governance and oversight of the district's finances, administration, personnel, students programs, and facilities.

Goal 2:

Student success: The Jefferson Board of Education will ensure that students experience success by offering an attractive, diverse range of well-coordinated and challenging academic, co-curricular, and extracurricular programs.

Goal 3:

Community Participation: The Jefferson Board of Education will, in the most cost effective manner, broaden partnerships with local governments and community-based organizations in order to maximize opportunities for students and promote community involvement, participation to instill a sense of value of education for all community stakeholders.

Goal 4:

Faculty and staff success: The Jefferson Board of Education will recruit and retain highly qualified, caring, and engaged administrators, faculty and staff who share a joint commitment to high standards of student achievement.

Goal 5:

Facility and Technology Planning: The Jefferson Board of Education will create and implement a comprehensive long-range facilities and technology plan that is consistent with the district's mission and vision.

Goal 6:

College and Career Readiness: The Jefferson Board of Education will provide K-12 students with academic programming which will allow for Jefferson graduates to be college and career ready upon completion of their compulsory education. The Jefferson Board of Education will provide students and their families with access to comprehensive guidance, counseling, and career planning services which will help to ensure that students are successfully able to contribute to the community and society in general.
