**Project SAVE**  
**(Safe Schools Against Violence in Education)**

**INTRODUCTION**

Emergencies and violent incidents in school districts are critical issues that must be addressed in an expeditious and effective manner. Districts are required to develop a district-wide school safety plan designed to prevent or minimize the effects of serious violent incidents and emergencies and to facilitate the coordination of the district with local and county resources in the event of such incidents or emergencies.

The District-Wide School Safety Plan is responsive to the needs of all schools within the district and is consistent with the more detailed building-level emergency response plans required for each school. Districts stand at risk from a wide variety of acts of violence, natural, and manmade disasters. To address these threats, the State of New York has enacted the Safety Schools Against Violence in Education (SAVE) law. Project SAVE is a comprehensive planning effort that addresses prevention, response and recovery with respect to a variety of emergencies in each school district and its schools.

The District supports the SAVE Legislation and intends to facilitate the planning process. The Superintendent of Schools encourages and advocates ongoing district-wide cooperation and support of Project SAVE.

**SECTION I: DISTRICT-WIDE SCHOOL SAFETY PLAN**

**GENERAL CONSIDERATIONS AND PLANNING GUIDELINES**

**A. Purpose**

This district-wide safety plan was developed pursuant to Commissioner's Regulation Section 155.17. It shall be a general guideline of school safety concerns.

Amendments to Education Law § 2801-a require district-wide safety plans to designate a chief emergency officer who is responsible for coordinating communication between staff and law enforcement and first responders. The chief emergency officer shall also ensure staff understanding of their respective building-level emergency response plan, and for ensuring completion and yearly updates of the building-level emergency response plans (BLERPs). BLERPs shall be kept confidential and shall not be disclosed except to authorized department staff, law enforcement officials and other designated first responders.

**B. Identification of School Teams**

The District has created a district-wide school safety team including the following persons:

**Chief Emergency Officer:** Tarkan Ceng, Superintendent

<b>Position</b>	<b>Name</b>
Superintendent:	Tarkan Ceng
Principal:	William Clooney
Non – Instructional:	Joy Musella
Non – Instructional:	Deb Hornbeck
Instructional:	Rick Cammer
Instructional:	William Hicks
BOE Member:	Jessica Hendrickson
Parent:	Jessica Hendrickson

**C. Concept of Operations**

The Jefferson Central School District is located at 1332 State Route 10, Jefferson, NY 12093 in Schoharie County. The District, consisting of one location totalling 13 acres, currently holds approximately 180 students and 55 staff.

In the event of an emergency or violent incident, the initial response to all emergencies at any of the locations there will be by the School Safety Team.

Upon the activation of the building-level emergency response team (BLERT), the Principal of the location or their designee will be notified and, where appropriate, local emergency officials will also be notified. The exact procedures to be followed, including

flowcharts for effective communication are included in the BLERP.

Emergency response actions including Crisis Response may be supplemented by County and State resources through existing protocols.

#### **D. Plan Review and Public Comment**

The plan shall be maintained and reviewed annually by the District-Wide School Safety Team.

Pursuant to Commissioner's Regulation 155.17 (e) (3), this plan will be made available for public comment for 30 days prior to its adoption. This plan may be adopted by the School Board only after at least one public hearing that provides for the participation of school personnel, parents, students and any other interested parties. The plan must be formally adopted by the Board of Education prior to September 1st each year (A listing of dates of board approval will be kept with the district plan).

While linked to the District-wide School Safety Plan, Building-Level Emergency Response Plan(BLERP) shall be confidential and shall not be subject to disclosure under Article 6 of the Public Officers Law or any other provision of law, in accordance with Education Law Section 2801-a. The BLERP(s) must also be formally adopted by the Board of Education prior to September 1st each year, but shall NOT be made available for public comment.

Within 30 days from adoption, this plan will be posted on the District website. The URL must be submitted to the NYS Education Department via the annual Basic Educational Data System (BEDS) collection each October to comply with the requirement that the plan be submitted to the Commissioner within 30 days from adoption.

## SECTION II: GENERAL EMERGENCY RESPONSE PLANNING

### A. Identification of sites of potential emergency

Each School has established procedures for the identification of potential sites and the internal and/or external hazards that may be present. These procedures are developed in coordination with the local Emergency Management Office, Fire Department and law enforcement agencies.

### B. Actions in response to an emergency

Each School has identified the following general response actions to emergency situations. These actions include school cancellation, early dismissal, evacuation, and sheltering. The BLERPs include identification of specific procedures for each action depending upon the emergency.

The Incident Commander is authorized to activate such resources and personnel as are appropriate to the incident. The Incident Commander is empowered to render such decisions as may be necessary in keeping with the response actions as identified in the BLERP(s). All Incident Command staff are identified in the BLERP(s).

**E. Annual multi-hazard school training for staff and students**

The District will conduct annual training for both staff and students in school safety issues. Training will be coordinated by the District-Wide and Building-Level Safety Teams, and may consist of classroom activities, general assemblies, tabletop exercises, full scale drills of other appropriate actions to increase the awareness and preparedness of staff and students.

Drills and other exercises will be coordinated with local, county and state emergency responders and preparedness officials if possible. Existing Plans will be revised in response to post-incident critiques of these drills.

**F. Training procedures and frameworks**

Training procedures for staff in violence prevention and all emergency drills will be as outlined in Appendix 2.

### **SECTION III: COMMUNICATION WITH OTHERS**

Students are also encouraged to seek out either the school counselor. The Jefferson Central School also offers these additional peer mentoring and support services: Restorative Justice and mediation.

#### **D. Outside agencies to be contacted during emergencies**

All agencies and districts available for support during emergencies are listed in the BLERP(s).

#### **E. Procedure for Obtaining Advice and Assistance from Local Government Agencies.**
